Dear Green:

In looking over the schedule, I see The Eagles and The Elites are scheduled together Aug. 20, 21, and 22. I also see you are home with The Stars Sunday the 16th, (the day of the East West game) and we are also at home.

I am writing to ask you if you want to play us the 17th in Portsmouth, and the 18th and 19th in Newport News. If you do answer me at once. You know how everybody is scrambling for those parks.

I will look for an answer right away.

Very Truly Yours
